### WHO WE ARE

# Jana Blue

Jana is a coach of her own high school program. "With previous experience dancing in the MLL, NBA, and NFL, as a coach I felt that the material we were learning at traditional camps wasn't hitting the mark. My athletes weren't getting to prepare for dance after high school and our student body wanted more entertainment at our games and pep rallies. 1 started having to make all our routines after seeing there weren't many local options for my kids."
